BRANCH LOBBY REOPENING – March 8, 2021

In anticipation of our branch lobbies reopening, we would like to share some measures that will be in place for the safety and protection of our employees, as well as, our customers.

At this time, our Milmont Branch will remain closed on Saturdays; however, our Tincum Branch will continue to be open on Saturdays from 9AM to 12PM. Both branches will maintain our normal business hours, Monday through Friday.

Upon the reopening of our lobbies, there will be a limited number of customers permitted inside at any given time. A face mask will be required when inside. Please note, our employees may ask for face masks to be removed briefly prior to entry and briefly upon entry.

When inside, please practice safe social distancing guidelines. We will have spots marked off to assist in being sure a safe distance is kept.

Due to the limited number of customers permitted inside at a time, as well as, the efforts to keep a safe social distance, we ask for customers and employees to limit conversations while inside. This will enable us to keep everyone safe and serve each customer in a timely fashion.

While customer service and other banking needs can be conducted within the branch, we still encourage the use of our drive thru whenever possible.

We ask that if you think you have been exposed to COVID-19 or have a fever and symptoms, such as cough or difficulty breathing, that you refrain from entering our branch locations.

Please call 610-521-1080/610-532-2034 or visit www.countysavingsbank.com for updates and additional information.
